Sr. Claude

The Louisville community is blessed with a special someone whose enthusiasm and dedication augment the success, efficiency, and congeniality of our school.

Sister Claude's natural charm and cheer brighten our hours here and make our daily routines a little less tedious and stressful.

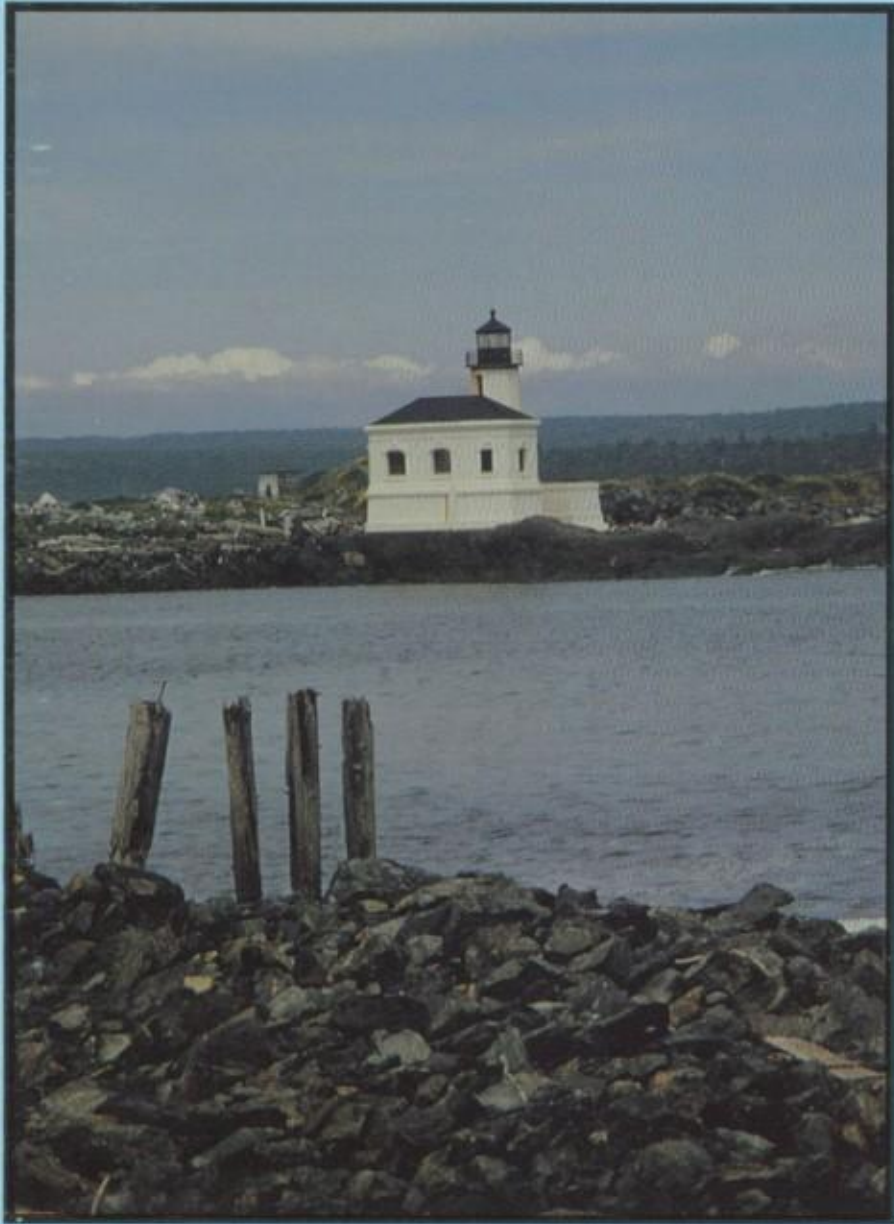

Her willingness to accommodate and her dependability serve as a stronghold of support and security for the faculty and students.

We, at Louisville, would like to take this opportunity to thank you, Sister Claude, for all the time, energy, and love you have bestowed upon us. We hope that in time you will receive, in some way, all that you have so beautifully and graciously given the Louisville community.

**A ship in a harbor is safe . . .
But that is not what ships
are made for.**

The main image is a large, dark, textured rock formation, possibly a sea stack or a large rock in the ocean. A person is standing on the rock, looking out towards the horizon. The sky is a uniform grey. In the bottom right corner, there is an inset photograph showing a rocky beach with waves crashing against the shore. The inset photo is tilted and has a black border.

**I remember
the rocks**

**and the clear,
cold water.**

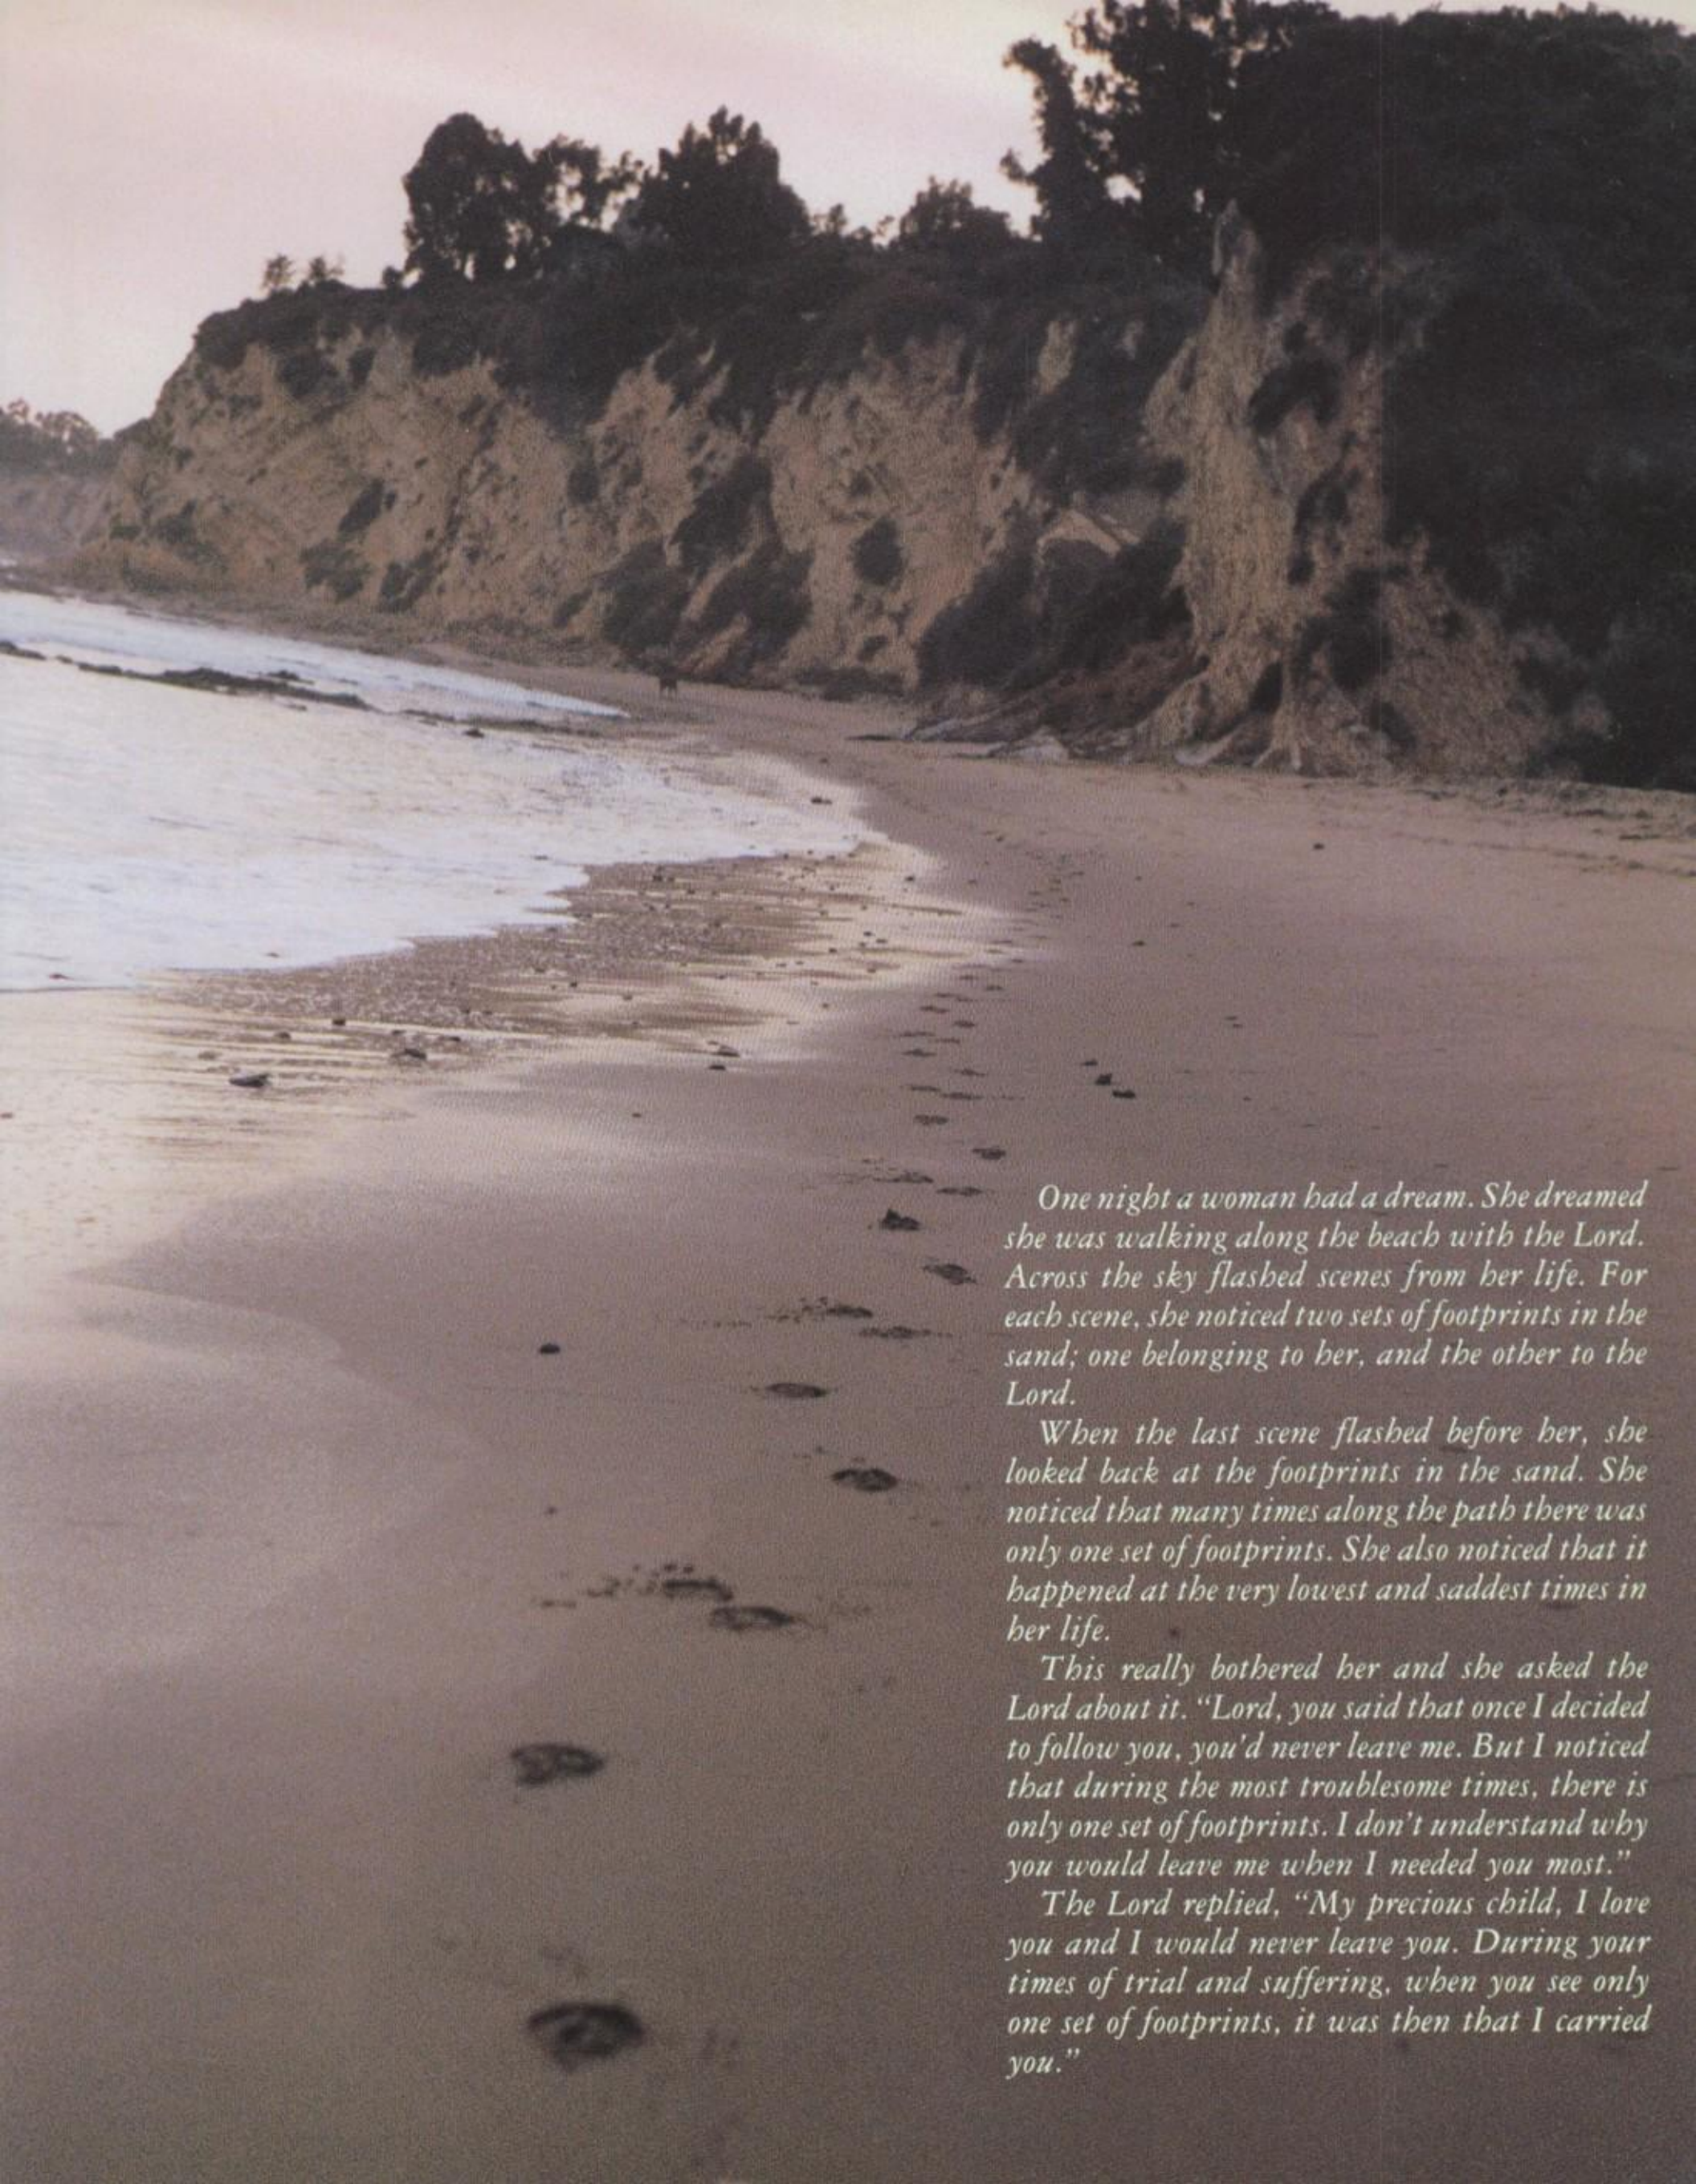

**But now it seemed
to be behind us.
Change wasn't in
the beach, the rocks,
or the waves . . .**

It was in the people.

One night a woman had a dream. She dreamed she was walking along the beach with the Lord. Across the sky flashed scenes from her life. For each scene, she noticed two sets of footprints in the sand; one belonging to her, and the other to the Lord.

When the last scene flashed before her, she looked back at the footprints in the sand. She noticed that many times along the path there was only one set of footprints. She also noticed that it happened at the very lowest and saddest times in her life.

This really bothered her and she asked the Lord about it. "Lord, you said that once I decided to follow you, you'd never leave me. But I noticed that during the most troublesome times, there is only one set of footprints. I don't understand why you would leave me when I needed you most."

The Lord replied, "My precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

FOR A DEAR DAUGHTER

KRISTIE,

When you were small, you could turn the most ordinary things into marvelous games, and even now, you can make everyday events seem like so much fun.

As a child, you were always willing to share your treasures, your friendships, your sunny smile just as now you share your warmth and kindness whenever someone needs you.

And that's why you'll always be loved for the little girl you were, for the special young woman you are now, for the wonderful daughter you will always be.

You're such a source of pride, a happy reflection of cherished memories and a promise of more joys yet to come.

For all you are,
For all you do,
May everything beautiful
Come to you.

With Love,

MOM, DAD & MATT

*If fate would so allow, I'd sit across the porch from God . . . and

**Toni, You Are One Of Those Rare People Whose Dreams
Will Become A Reality.**

What makes people succeed is the fact that they have confidence in themselves and a very strong sense of purpose. They never have excuses for not doing something and always try their hardest for perfection. They never consider the idea of failing and they work extremely hard towards their goals. They know who they are and they understand their weaknesses as well as their strong points. They can accept criticism and they know when to defend what they are doing. They are creative people who are not afraid to be a little different. You are one of these rare people and it is so exciting to watch you on your path to success as you follow your dreams and make them a reality.

THESE

FRESHMAN

A special week is set aside in September for freshmen to meet the juniors, participate in festive activities, and get settled in the Louisville environment. Traditionally, the junior "big sisters" dress their frosh "little sisters" in costumes carrying out a designated theme. This year the theme was "We Are the World," and costumes represented Mexico, Spain, Japan, India, Scotland, Holland, the United States, Tahiti, Brazil and Italy. Another highlight of Freshman Welcome Week was the "cousin's lunch" when sophomores entertained their freshmen "cousins." Welcome Week 1986 was proclaimed a huge success!

WELCOME
CLASS
OF 1990

WELCOME WEEK

HALLOWEEN PARTY

The seniors made a united effort to present this year's Halloween party. Something different was offered this time — the appearance of the band "Trinity" on the hall steps for listening and toe-tapping pleasure. Students were kept busy participating in a variety of activities to test their skill and marksmanship.

FRESHMEN-FACULTY BASKETBALL GAME

Revenge will be on the minds of the present freshmen, who declared: "Just wait until next year," after a faculty basketball team defeated the frosh cagers, 39-21, on February 11. Danny Delpit and Mary Hudson kept the freshmen in the game with their scrappy scrambling, but the scoring highlight of the game was Miss Olga Yanis' 18-foot one-handed set shot that was all net. Even Chick Hearn would be at a loss for words to describe it!

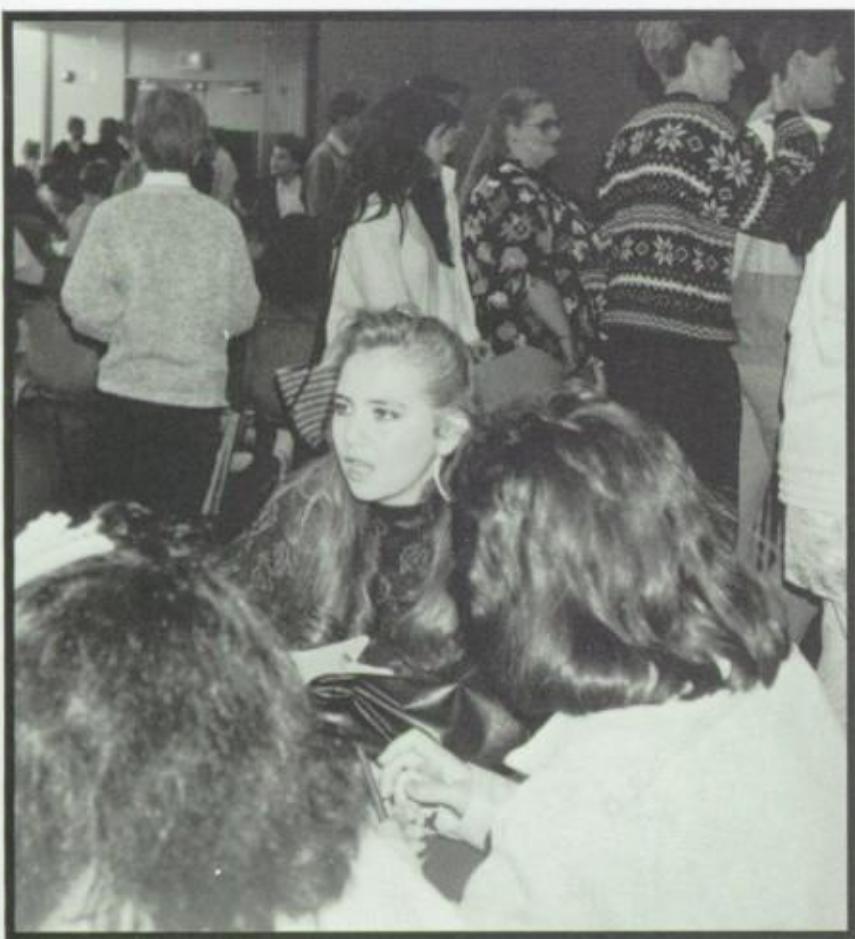

MOCK TRIAL COMPETITION

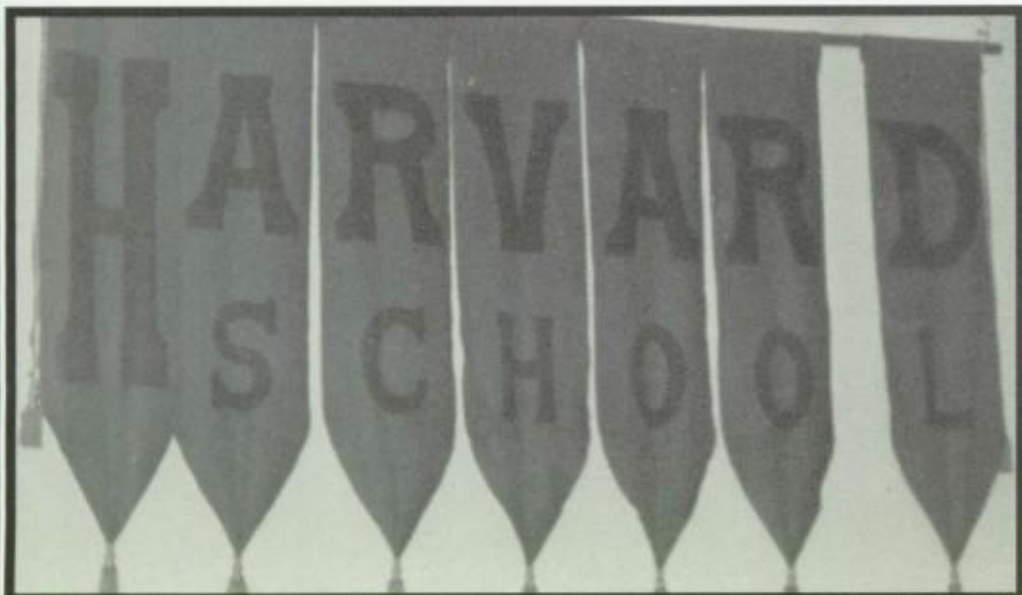

Weeks of preparation by Mr. Michael Telesca and the law class students culminated in Mock Trial sessions that were sponsored by the Constitutional Rights Foundation in November and December at the L.A. County Courthouse. This year's case involved a self-defense claim in a shooting incident. Defense attorneys for Louisville were: Katie Peichel, Doral Maxey, and Katrina Posta. Julie Totten, Chris Kurek and Christina Allen handled the prosecution. Other Louisville participants were: Christina Casagrande, Tanya Horanyi, Debbie Lee, Angela Maurizi, Melanie Santos, Kristina Stanfield, and the defendant, Nora Jambor. This year's team reached the quarterfinals.

HARVARD FOREIGN LANGUAGE COMPETITION

The Harvard Foreign Language competition, which originally started at Louisville, was a great success again this year with a field of over 800 entrants. Competitors vied in a variety of categories in Spanish, French, and German. Louisville has held a consecutive victory in overall performance as well as individual excellence, and placed third in a field of 16 other high schools this year. In addition to winning a sweepstakes trophy for overall proficiency, many individual students came home with first, second and third place trophies and certificates. All of our success this year was made possible through the time and extra effort of dedicated teachers and students.

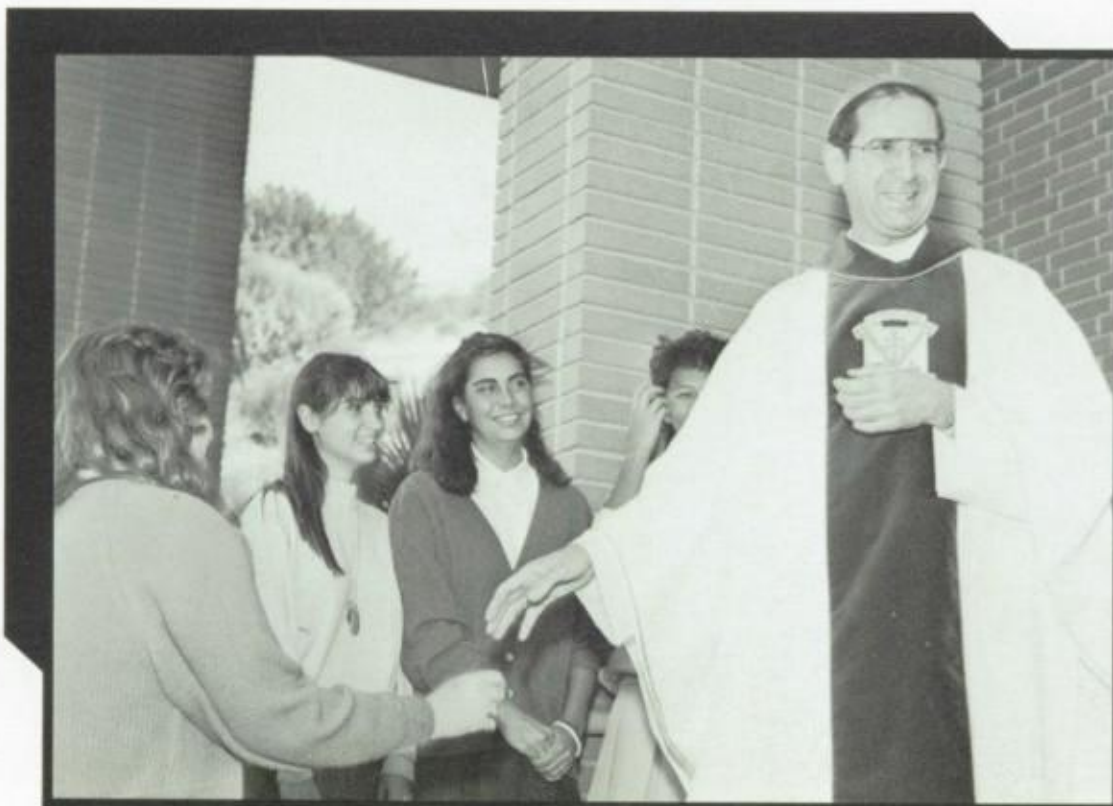

THANKSGIVING

MASS

Archbishop Roger M. Mahony paid his first visit to Louisville since his installation, gathering together with the school community on the occasion of our annual Thanksgiving Mass. The students were encouraged to make a donation of canned goods which were later delivered to the M.E.N.D. organization. After celebrating the Mass, Archbishop Mahony stopped and visited with the students and faculty. This occasion in Louisville's history was both an exciting event and tremendous success.

GIVE
THANKS
TO THE
LORD

THANKSGIVING DINNER

The Christian Service Core continued its tradition of serving Thanksgiving dinner to approximately 100 elderly guests who were bussed to St.

Louis Hall from the inner city. This celebration of sharing the Thanksgiving season is a very special event in the lives of the Core's cheerful guests, and for those who participate as hostesses and entertainers. Food was donated and prepared by parents, teachers and students, and there was even enough to give each guest for another meal at home.

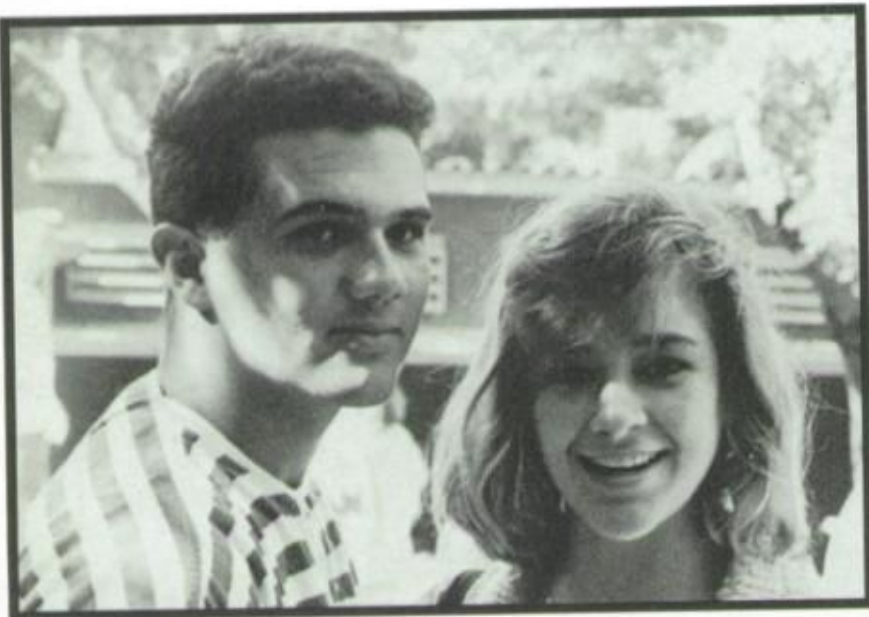

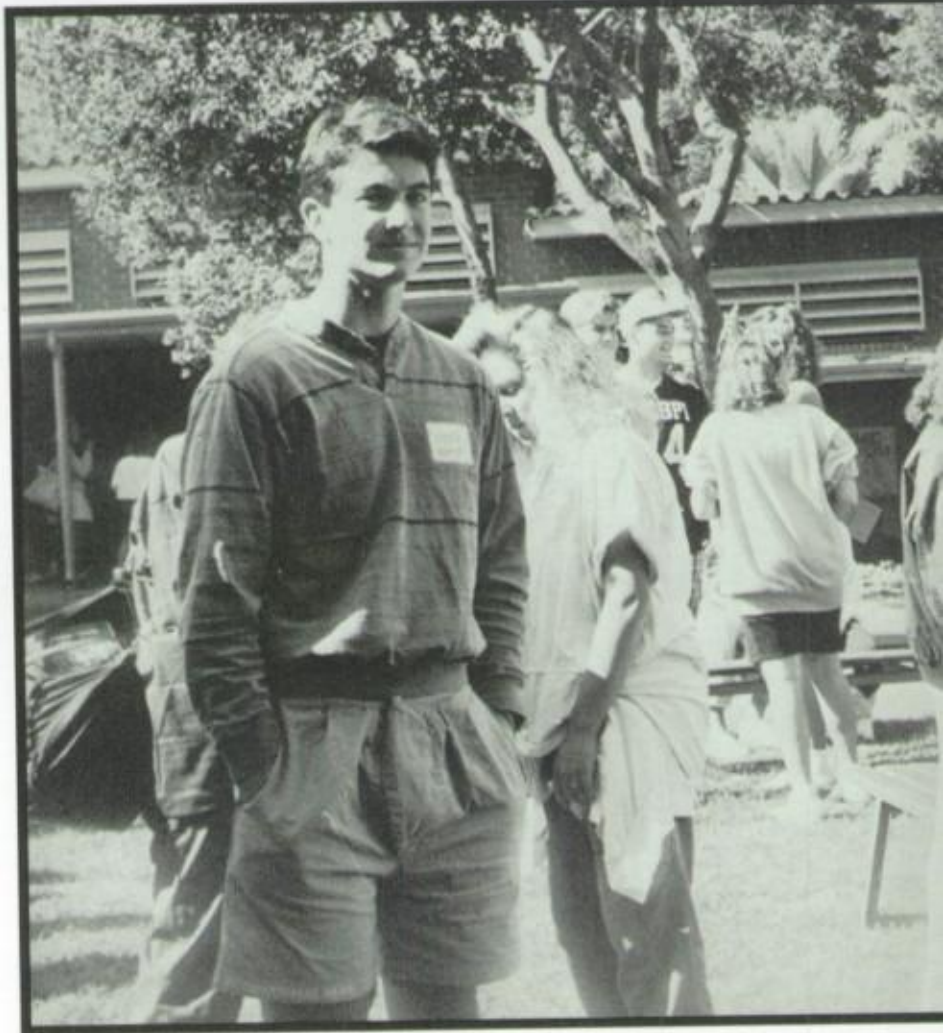

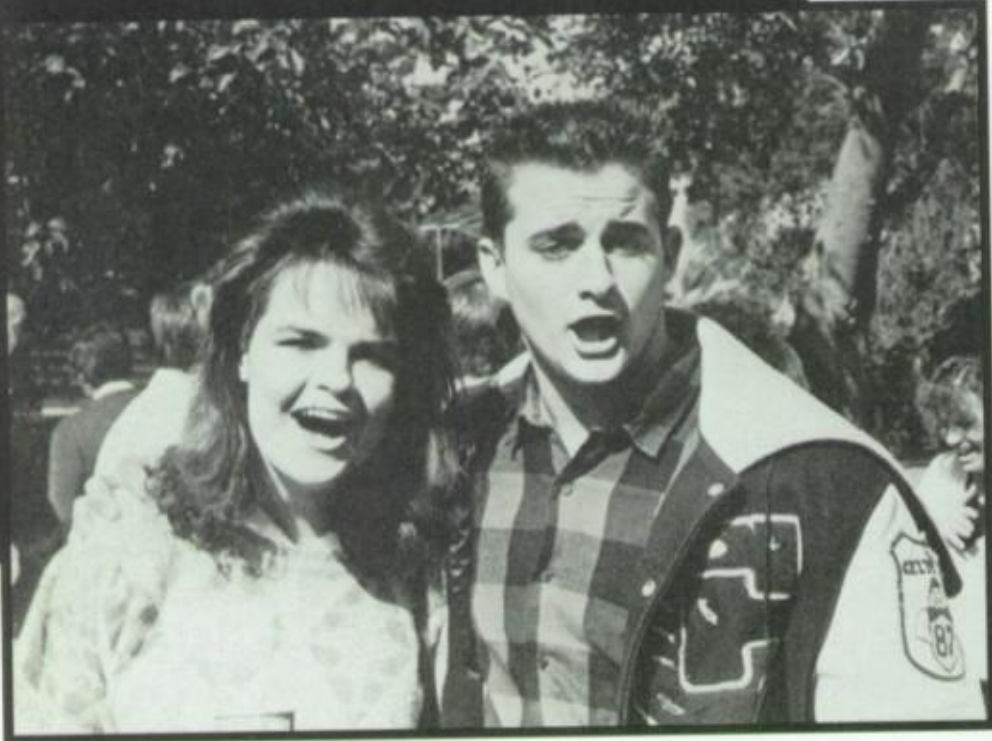

CHRISTMAS SHOW

Song, dance and drama were combined in one program — "Christmas Is . . ." by the Performing Arts Department on December 11 and 12 in St. Louis Hall. This annual Christmas concert included dramatic performances under the direction of Mrs. Linda Krayton, vocal entertainment provided by After Hours, Royal Company and Vocal Jazz Ensemble, led by Dr. Gary Walker, and dance numbers. The Jazz Concert Dancers swung their way through some strenuous routines, then the Ballet Concert Dancers took their tutus on the town in graceful pirouettes. Ms. Carey McIntyre choreographed the dance routines. The concert ended with the combined choirs and the audience singing along to the tune of "Silver Bells."

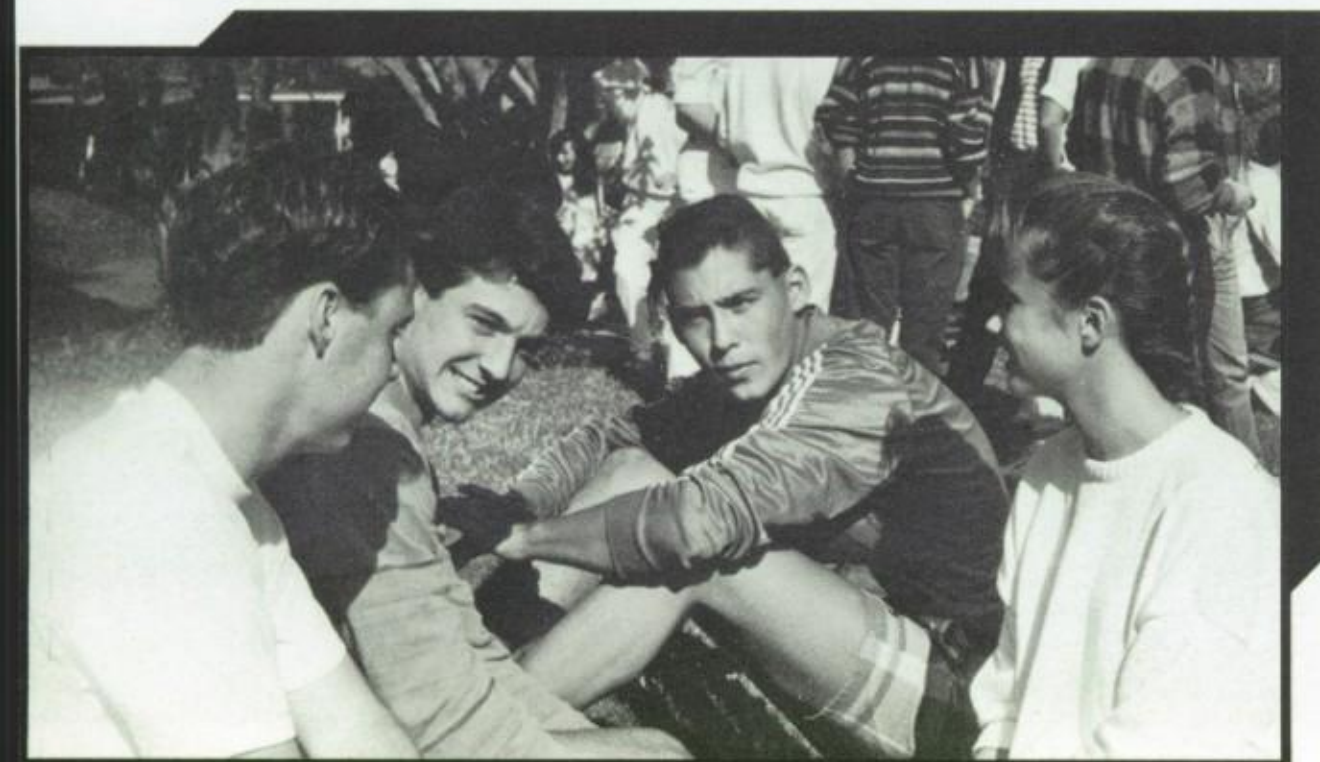

THE DATING AND

MARRIAGE SEMINARS

The dating and marriage seminars are a joint effort of both Louisville and Crespi religious studies departments. The aspects of courtship and marriage are discussed, providing the students a realistic overview of the possibilities of future situations. This year's seminars were held alternately on both campuses.

FATHER-DAUGHTER NIGHT

"Born in the U.S.A." was the theme for this year's Father-Daughter Night in St. Louis Hall, which was decorated in red, white and blue for the happy occasion. Dads jump — started their dancing feet and glided around the dance floor with their "dates" to the beat of rock 'n roll. Highlight of the evening was the slide show, "Daddy's Little Girl," picturing dads and their daughters in warm, tender moments. Fifteen fathers who had attended five or more dances were honored, and costume awards were announced for: best effort, most uncomfortable, most creative, most humorous, most patriotic, and sweepstakes winner.

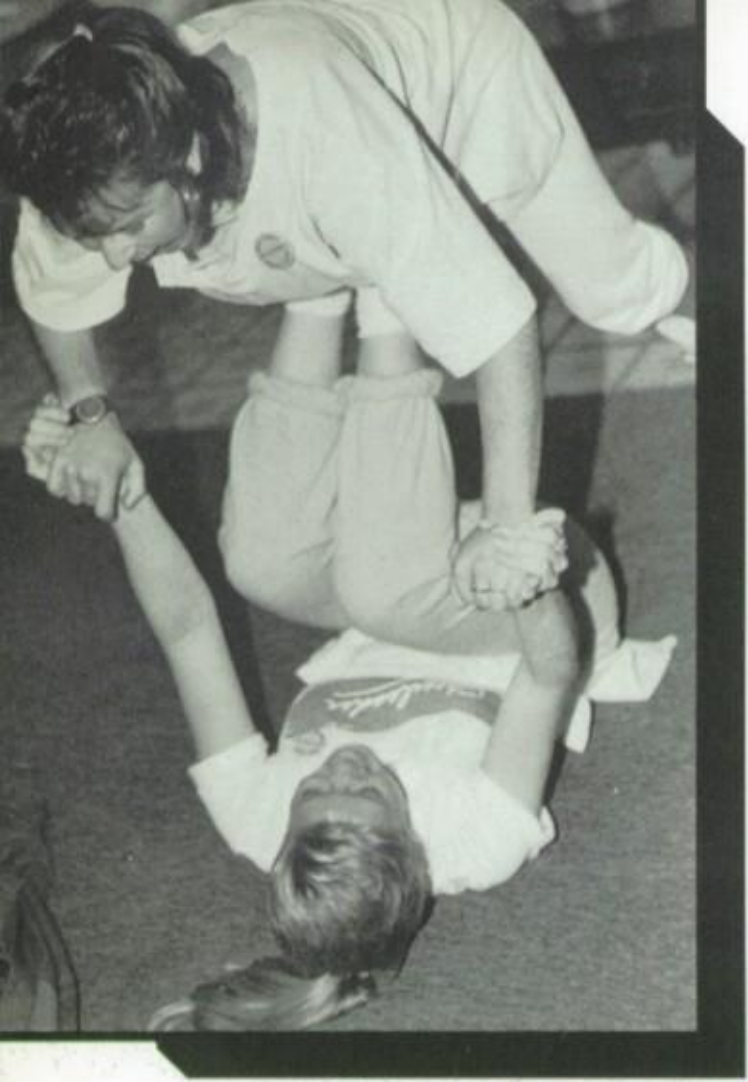

MOTHER-DAUGHTER PICNIC

The fall mother-daughter picnic and book fair was a delightful affair in October. Amid an atmosphere of sharing and caring, mothers, students and faculty enjoyed an interlude under sunny skies on a picture-perfect Senior Lawn. Lunches ranged from submarine sandwiches to gourmet meals served from picnic baskets or brown bags. Other touches of class included tablecloths and flowers, and, yes, even candles!

KAIROS

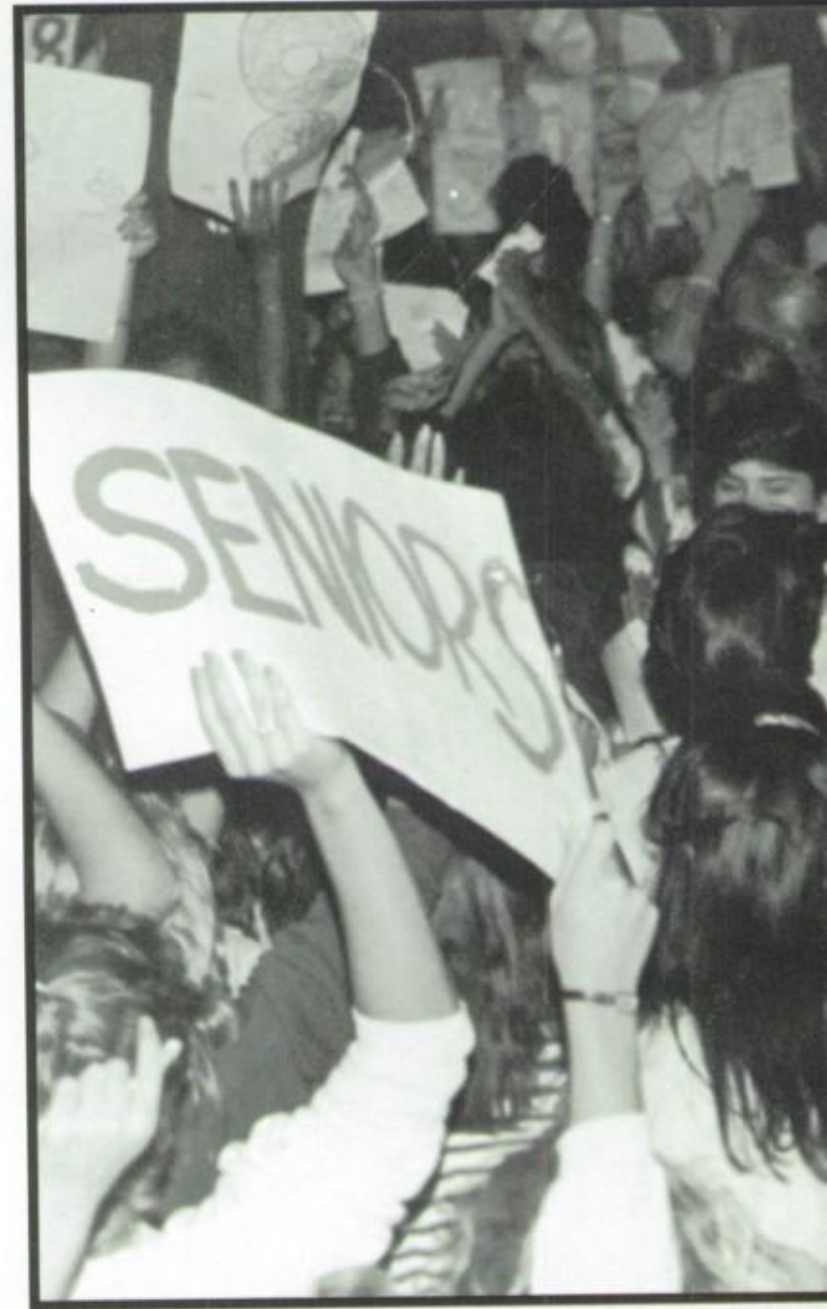

Kairos, or "special time," is a retreat spent in the tranquil Santa Barbara Mountains at St. Mary's Seminary. It is a time for seniors to leave their distractions behind and spend time reflecting on themselves and their relationships with others. This year the retreatants experienced their "special time" with teams of adult and student leaders during October, December and February.

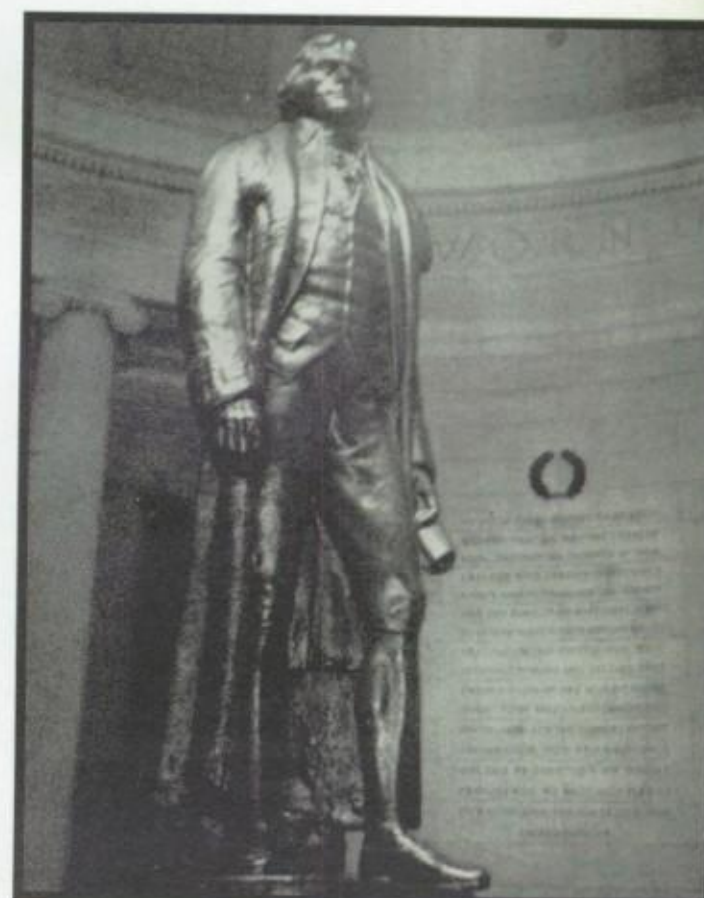

PEP RALLIES

Student body pep rallies are held three times a year to usher in the various sports seasons. Cheerleaders introduce new team members and the students back them up with clamorous support. The spirit generated at these rallies carries over for the whole season, and players respond by developing their athletic talents in fine Loyal Royal manner.

CLOSE UP

The Close Up trip is an exciting opportunity to discover what is going on in world government and how it affects our students. During the seven-day trip, students joined their counterparts from other schools in southern California, Michigan and Delaware. There were daily trips to Capitol Hill, the Supreme Court, Library of Congress, and many other federal agencies. Students participated in seminars, questioned high-ranking officials, and engaged in creative and challenging activities. One of the most important rewards of the trip was the knowledge that every citizen is able to have an impact on the course of government by participation and involvement. Louisville students returned home not only with a better understanding of our country's legislative and judicial systems, but also a deeper recognition of what it means to be an American.

CHRISTMAS DANCE

A little bit of "Christmas Magic" was worked in St. Louis Hall on December 6, the night of our long-awaited Christmas dance. The hall was beautifully decorated, ubiquitous senior elves roamed the dance floor, and the music was lively and loud. Crespi senior Mark DiCristina was crowned homecoming king to highlight a memorable evening.

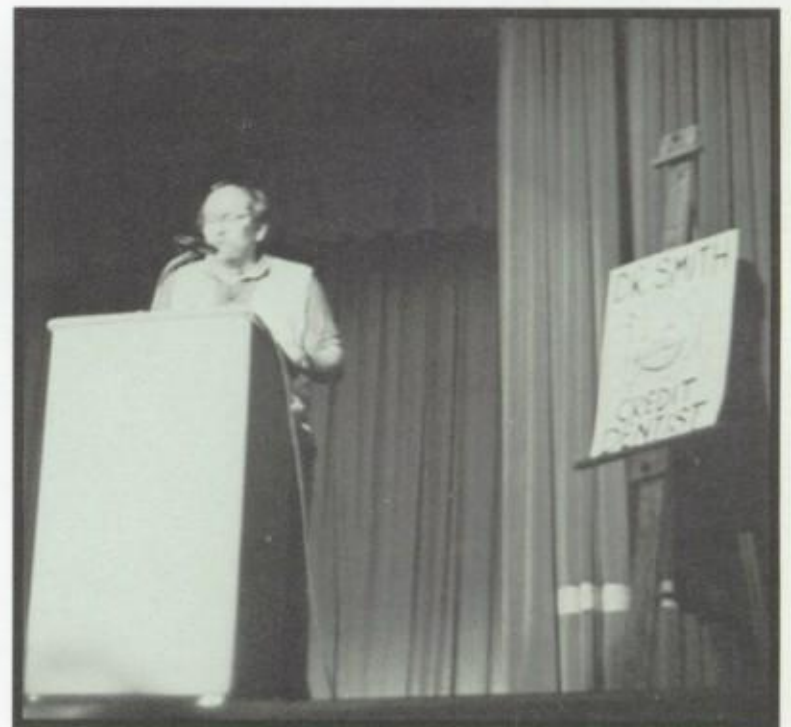

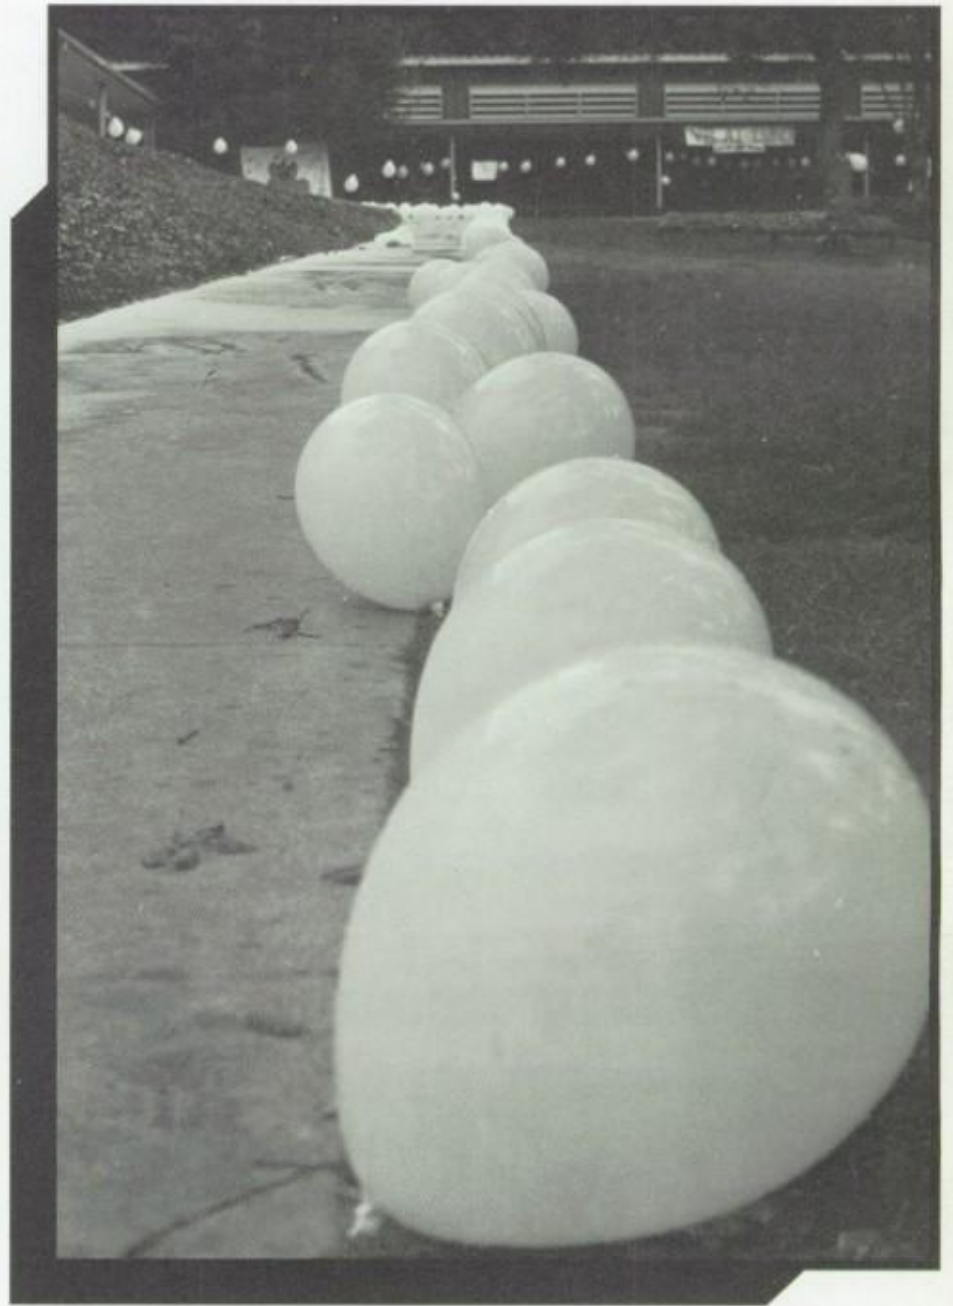

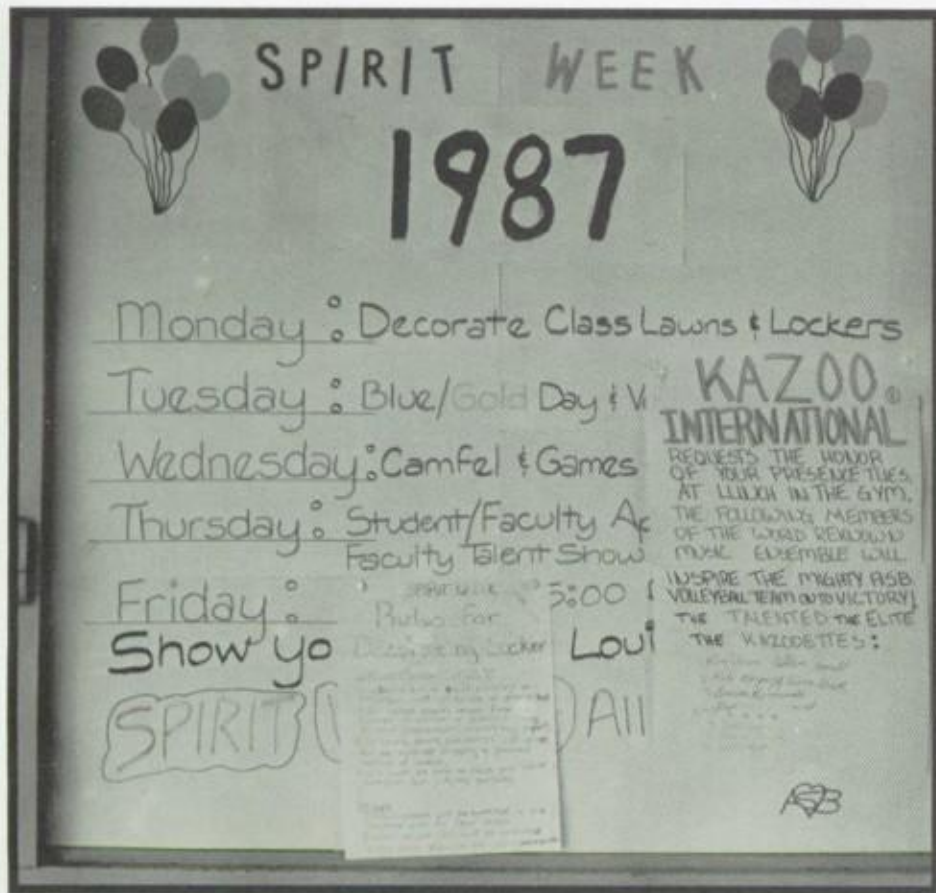

Spirit Week transformed the campus into a big splash of color and some good-natured competition between classes. Lawns and lockers were cleverly decorated, and even a nighttime rainfall failed to wash out the colorful displays. Other activities included Blue and Gold Day, viewing the Camphel Productions program of "Heroes," and a faculty talent show for the students. Spirit Week was a great success because everyone participated in some manner.

THE CLASS OF 1987

Four years ago,
We were planted here...
Being merely seeds in the soil of life.
Through our lighthearted laughter,
There glistened sunshine,
And amidst our tears,
There poured rain.
Our roots strengthened
From all weather
As our stems grew
With each passing season.
In the heat of the day
And well through the chill of night
We produced
And became what we are today...
Fresh flowers,
Uniquely a part of the garden
That ties us all together.
We have survived the worst,
And lived through the best,
Believing that above all,
Love...

Is the essence of growth.

As we finish our sixth year of school together and our sixth year of a true friendship, I would like to say "what would life be like without you?" not good I imagine. Bear, you've always been there for me and you always made me feel good about myself! We've had so many memories together it would take this whole yearbook to put them down in writing. To name a few for this year...

Hawaii (Jason & Darren and those 15 other guys we met), Depeche Mode Concert (3 hours of paradise), summer school and Mark C., what about Mark A. and now my Canadian lover! You always told me I'd get a boyfriend! You've been so close to me these years and every night I pray to God that you'll come back to Louisville!! Please come back next year Mary, I need you!! Even if you do leave, we'll be friends forever... don't forget your my maid of honor at me and Miguelt's wedding! ~~Anyhow~~ Anyhow, this summer will be rad (as always) thank God were not going to summer school.. And don't worry Mare, tonight I'll call Mark A. and fix everything!

I love you!!! I love you!!! I love U!!!
You're a great person the way you are Bear,
Don't change!

Love always, Cindy

Dear Mary,
No way, can you
actually believe two years of
Louisville are now in the past!
Will have to get together in the
summer or something with a whole
bunch especially since I'll be dining... I hope.
Love,
Dana Dehaene

Dear Mary,
Where should I start?
Mary, it has been one
fun time this last
year. You're incredible
and very understanding.
Every time I am
with it's enjoyable
even if all that happens
is that you come to
my house or if I go
there. I hope the future
will be as great as
it is now with you.
You are a very special
girl and I think
very highly of you.
It's funny thinking
about all the countless
hours on the phone
and your Dad with
his hints for you to
get off the phone.
Cue: clicking the phone.
I love you very
much and always will.
Love,
Mark Anten

Mary-
I'm really happy that I
got a chance to get to
know you this year! You
really are a doll and
a lot of fun to be around!
I hope we have more
classes together so we can
get to know each other
better! Have a super
terrific summer!
Love ya! Bob

Mary!
Can you believe sophomore year is over? I've been through so many experiences this year. It was so fun. I'm really glad I got to know you. You're so sweet. Hopefully next year we can become better friends. Don't ever forget the time we ditched school before it even started and "you be nothin'". Let's get together over the summer. K? Promise me you'll call! 389-4534. Have a mad vacation and good luck in year. I'll miss you!
I ♡ U!
